Subject:-

Disinfection of public places on daily basis.

Sir/Madam,

Keeping in view the recent surge in COVID-19 cases in the State, it is imminent to take immediate steps/measures for promotion of public safety and health in all the Urban Local Bodies of the State. Accordingly, I am directed to say that in order to contain the spread of COVID-19 cases in the urban areas of the State and to ensure safety of general public, the public places such as market areas, parks, streets, paths etc within the jurisdiction of ULBs are required to be disinfected with 1% sodium hypochlorite solution.

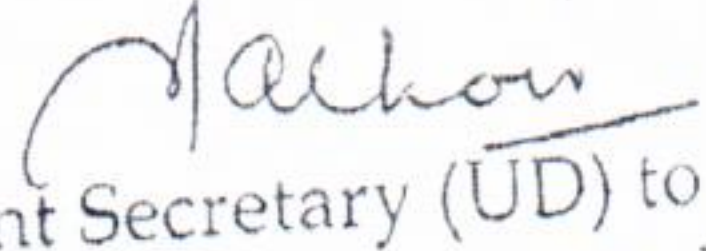

You are therefore, directed to ensure that public places such as market areas, parks, streets, paths etc in all wards within the jurisdiction of ULBs must be disinfected at least once in a day, in the general public interest. A compliance report in this regard be furnished on daily basis to Director (UD).

Joint Secretary (UD) to the
